

Success Tips

- Kickoff the campaign by signing up online or contacting Eileen* to schedule your start date. We are happy to send someone to speak at your church!
- Please remind everyone NOT to write on the bottles, but to fill out the included card instead. Each bottle gets re-used.
- We accept cash, checks, and credit cards.
- Stay top of mind with your congregation by keeping a table set up with Life First posters and ministry materials throughout the campaign.
- Need more bottles? Contact Eileen!*
- Please make sure to return all bottles by the end of the baby bottle campaign—filled or empty. We need 100% of our bottles back so that 100% of donations go towards the ministry and not buying new baby bottles.
